Projects

Hybrid Portfolio, (*Brittany Chiang meets Ali Mohsin with Neon Aesthetics*) 06/2024 – 07/2024

- Designed and developed a responsive, interactive React portfolio with neon animations to professionally showcase skills and projects.

EcoMart, (*Sustainable Product E-Commerce Platform*) 06/2025 – 07/2025

- Developed a sustainable e-commerce prototype using MERN stack, JWT, and a dynamic product listing page. Built a responsive UI with TailwindCSS and integrated mock payment at checkout.

Professional Experience

Full Stack Developer Intern, Attero Recycling Pvt. Ltd. 09/2025 – 11/2025

Noida, India

- Developed a CRUD-based notes management system using PHP & SQL with AJAX for real-time update, improving usability and data handling.
- Built a secure authentication system(sign-up, login, logout) with React.js, Node.js and Express.js, JWT & Bcrypt, integrating TailwindCSS for responsive UI and Framer Motion for smooth animations.
- Currently preparing to contribute to a live Project, gaining hands-on experience in end-to-end development and deployment.

Education

Bachelor of Technology in Computer Science And Engineering, *DIT University* 08/2022 – 05/2026

Dehradun

Certificates

- Programming in JavaScript
- Microsoft Copilot
- Computer Networks
- Software Engineering
